

Shottesbrooke Update
April 15th 2010

The sun shone, the Autumn garden bloomed and friends indulged in great food and wine at Shottesbrooke this Easter...

People came from far and wide to soak up the ambience of Shottesbrooke's cellar door and courtyard, and staff were kept busy welcoming old friends and new over the Easter long weekend.

"Shottesbrooke has great food, great wine and a relaxed atmosphere – all the ingredients for a great day," said one very satisfied visitor, a sentiment we heartily agree with here at Shottesbrooke!

For the first time, Shottesbrooke became a part of the McLaren Vale authentic food culture, with scrumptious gourmet picnic platters for lunch on Saturday, Sunday and Monday. Created by accomplished chef Melanie Gowers, each platter included many tasty delicacies including the Mushroom Calzone, a recipe that Mel created exclusively for Shottesbrooke.

The children didn't miss out either, with chocolate eggs, sunshine and gorgeous gardens to run around in.

Guests and staff alike enjoyed the weekend so much that Shottesbrooke looks forward to hosting another picnic again soon, we will keep you informed!
