## FOREVER SEARCHING

*"No rules, no boundaries and no hesitation. The freedom of the ocean is our ultimate inspiration."*

Just as the tides ebb and flow, everchanging and beautiful, hiding an ultimate beauty beneath their restless waves - winemakers too must continuously move and evolve, facing each challenge on the path to uncovering perfection. And like the changing tides, no wine is ever the same - each one its own tale of wonder.

## THE VINTAGE | 2022

Vintage 2022 in the Adelaide Hills was characterised by high Winter rainfall followed by a wet early Spring and then the rain stopped.

A dry but mild Summer produced a low vineyard input year and the ideal conditions continued through into harvest, resulting in exceptional quality of fruit.

High natural acids and concentrated flavours have produced effortless wines with style and grace.

The 2022 vintage will no doubt be heralded as one of the best.
