FOREVER SEARCHING

"No rules, no boundaries and no hesitation. The freedom of the ocean is our ultimate inspiration."

Just as the tides ebb and flow, everchanging and beautiful, hiding an ultimate beauty beneath their restless waves - winemakers too must continuously move and evolve, facing each challenge on the path to uncovering perfection. And like the changing tides, no wine is ever the same - each one its own tale of wonder.

THE VINTAGE | 2021

2021 was a subtle growing season with no substantial heat compared to the 2018, 2019 and 2020 vintages, offering a slow and prolonged engustment period. This advantage enabled the fruit to reach ideal flavour ripeness before sugar ripeness. The result is an increase in flavour compounds while the grape maintains its natural acidity as demonstrated by this fresh and structured wine.
